REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

**Board of Directors
Homes for Hope
Lancaster, Pennsylvania**

We have audited the accompanying consolidated financial statements of Homes for Hope (a nonprofit organization), which comprise the consolidated statements of financial position as of December 31, 2019 and 2018, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose for expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Homes for Hope as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

HOMES FOR HOPE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

For The Years Ended December 31, 2019 And 2018

(1) NATURE OF ORGANIZATION

Homes for Hope (“H4H”), is a 501(c)(3) non-profit organization which works within the building industry forming partnerships with builders, their trade partners and other industry members, to generate financial resources through the construction of Homes for Hope projects. The funds support organizations which work to help alleviate physical and spiritual poverty in developing countries throughout the world. The consolidated financial statements include H4H’s wholly owned subsidiary, Dignity Builders, LLC. (“Dignity”). Dignity was established to invest in microfinance institutions (See Note 3).

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of H4H have been prepared on the accrual basis of accounting. All material intercompany accounts and transactions have been eliminated.

CASH AND CASH EQUIVALENTS

H4H considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

EQUIPMENT

Expenditures greater than \$3,000 for the acquisition of property and equipment are capitalized at cost, and donated property and equipment are capitalized at fair value.

NET ASSETS

H4H reports its resources, according to externally (donor) imposed restrictions, in the following categories:

Net assets without donor restrictions include the revenues and expenses associated with the principal purpose of H4H.

Net assets with donor restrictions include contributions for which donor-imposed restrictions have not been met.

As of December 31, 2019 and 2018, H4H has only net assets without donor restrictions

INCOME TAXES

H4H is a non-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a).

H4H has reviewed the tax positions for each of the open years (2016 – 2018) or expected to be taken in H4H’s 2019 fiscal year end tax return and has concluded that there are not significant uncertain tax positions that would require recognition in the financial statements.

HOMES FOR HOPE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

For The Years Ended December 31, 2019 And 2018

CONTRIBUTIONS

Cash contributions are recorded as revenue when received. H4H records unconditional promises to give (pledges) as a receivable and revenue when the pledge is received, net of the discount to present value the future cash flows and to recognize uncollectible receivables. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are then classified to net assets without donor restrictions and reported in the statement of activities as “*net assets released from restrictions*,” except for donor restricted contributions whose restrictions are met in the same period are reflected as unrestricted contributions. Contributions include in-kind contributions of rent for 2019 and 2018 were \$14,000 and \$16,800, respectively. The corresponding expense is included in office expense.

FUNCTIONAL EXPENSE ALLOCATION

The costs of providing H4H’s program and supporting services have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among program and supporting services. Costs are directly charged to a specific activity when the costs pertain solely to such activity. Salaries have been allocated to program and supporting services based on level of effort attributable to program and supporting services. Certain salary related and other operating expenses have been allocated based on salaries incurred by program and supporting services.

ACCOUNTING ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from the estimates.

CONCENTRATIONS OF CREDIT RISK

H4H occasionally maintains cash in banks in excess of federally insured limits. The accounting standards associated with concentration of credit risk identifies uninsured cash as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

NEW ACCOUNTING PRONOUNCEMENTS - ADOPTED

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606) (ASU 2014-09). The core principle of the new standard is that entities should depict the transfer of promised goods or services to its customers in an amount that reflects the consideration to which the entities expect to be entitled in exchange for those goods or services. The new standard provides a five-step analysis for entities to apply in determining the timing, method, and amount of revenue recognition to achieve the core principle. ASU 2014-09 became effective for H4H in 2019 and as such, was adopted in the current year. The adoption of this ASU did not have a significant effect on the financial statements.

HOMES FOR HOPE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

For The Years Ended December 31, 2019 And 2018

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958): *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The amendments in this update will assist entities in evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) or as exchange (reciprocal transactions) and determining whether a transaction is conditional. H4H adopted the new ASU during 2019, however, it did not have a material effect on the financial statements.

(3) NONCONTROLLING INTEREST IN NET ASSETS

Dignity has a noncontrolling interest in HOPE Ukraine, a microfinance institution, which is majority-owned by HOPE International, Inc. (“HOPE”) (See Note 4). As of December 31, 2019 and 2018, the noncontrolling interest in net assets carried at cost was \$273,564 and \$223,524, respectively. As a result of additional equity contributions in 2019, Dignity’s ownership interest increased from 9.06% to 9.81% and its proportionate share of equity based on ownership interest of 9.81% and 9.06% as of December 31, 2019 and 2018, respectively, was approximately \$256,000 and \$178,000.

(4) RELATED PARTY TRANSACTIONS

During the year ended December 31, 2010, H4H received a stock donation in the amount of \$1,500,000 from a supporting organization of which H4H is one of a number of possible designated organizations. The stock donated was shares of a corporation owned by a person who is both a Board of Director of H4H and the supporting organization.

In conjunction with the stock donation, the aforementioned Board of Director purchased the donated stock for \$1,500,000 and entered into a loan agreement (“Note”) with H4H in the amount of \$1,500,000. Interest on the loan is at an interest rate of 1.53% and is due annually on December 31 until the principal and any accrued interest is paid in full. The loan is collateralized by the shares of stock sold. The loan was extended to January 20, 2021. The outstanding amount due on the Note was \$320,783 and \$445,763 at December 31, 2019 and 2018, respectively. During 2019 and 2018, interest earned on this note receivable was \$6,821 and \$8,676, respectively.

On December 31, 2018, H4H received another secured promissory note from the Board of Director disclosed previously. The note is for \$3,000,000 with an interest rate of the one-month LIBOR rate plus 3.5%. The interest is payable in arrears on the first day of each calendar quarter, commencing April 1, 2019 and continuing until the entire note is paid in full. The original principal balance is payable from time to time upon settlement for the sale of building lots which are part of the secured mortgaged property. Upon the settlement of each building lot (165 building lots), \$18,182 shall be payable. Regardless of the sale of the building lots the entire principal balance of the note is due December 31, 2025. The building lots will be developed by a company in which the owner is the aforementioned Board of Director of H4H. During 2019, H4H earned \$171,742 of interest income on this note receivable which included an interest receivable balance of \$40,008 as of December 31, 2019. The interest receivable balance is included within prepaid expenses and other current assets in the consolidated statement of financial position.

As of December 31, 2019, land held for resale of \$82,300 represents the value of donated land received in 2018 from a company 50% owned by a Board of Director of H4H. The purpose of the donation is for a homebuilder to construct and sell an H4H project with the net proceeds being donated to H4H.

HOMES FOR HOPE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS – (Continued)

For The Years Ended December 31, 2019 And 2018

During the year ended December 31, 2019 and 2018, H4H received contributions of approximately \$403,865 and \$3,519,490, including the \$3,000,000 loan receivable discussed above, respectively, primarily from companies whose officers are members of the Board of Directors of H4H.

During the years ended December 31, 2019 and 2018, H4H awarded grants in the amount of \$1,300,000 and \$710,000, respectively, to HOPE, a related non-profit organization of which two Board of Directors of H4H serve as the Chairman of the Board of Directors and President of HOPE. In connection with the grants awarded to HOPE, there is a grant payable of \$400,000 as of December 31, 2019. HOPE has a separate Board of Directors which does not control H4H. In both 2019 and 2018, H4H received administrative services, which are included in professional services expense, from HOPE in the amount of \$22,947. As of December 31, 2019, administrative services and other payables to HOPE of \$3,813 are included in accounts payable and accrued expenses in the statement of financial position. As of December 31, 2018, H4H had a receivable from HOPE of \$7,578, included in prepaid expenses and other current assets in the statement of financial position. The receivable reflected H4H donations received by Hope net of administrative expenses incurred by HOPE on behalf of H4H.

Dignity received contributions of \$50,040 and \$16,000 during the years ended December 31, 2019 and 2018, respectively from HOPE to be used as an equity contribution for HOPE Ukraine.

(5) FINANCIAL ASSETS AND LIQUIDITY RESOURCES

H4H strives to maintain liquid financial assets to be available as its general expenditures, liabilities and other obligations become due. Financial assets in excess of daily cash requirements are invested in money market funds.

The following table reflects the H4H's financial assets as of December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Financial Assets:		
Cash and cash equivalents	\$ 188,229	\$ 208,173
Receivables	<u>47,508</u>	<u>7,578</u>
Financial assets available to meet current obligations	<u>\$ 235,737</u>	<u>\$ 215,751</u>

As part of H4H's liquidity management, it has a practice to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

(6) SUBSEQUENT EVENTS

Subsequent events after the balance sheet through the date that the financial statements were available for issuance, June 24, 2020, have been evaluated in the preparation of the financial statements and management has determined that there are no subsequent events that would require disclosure or adjustment to the financial statements, except for the matter described below.

Management is currently evaluating the recent ramifications of the COVID-19 virus and its impact on the economy as well as H4H's operations and has concluded that while it is reasonably possible that the virus could have a negative effect on H4H's financial position and results of its operations, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
